Districts that operate an automated class registration system, on or before January 1, 2008, must allow students to coordinate with the Secretary of State during the class registration process to receive voter information.

Districts that do not operate an automated class registration system, on or before January 1, 2008, may implement an automated voter registration system within two years of when they begin operation of an automated class registration system.

Districts must designate a contact person to be contacted by the Secretary of State for distribution of voter registration cards.
